## Step One:

Cut 3 strips - 3" x the width of the fabric - of fabrics #1 through #9. Fussy cut the designs on fabrics 1, 5, 6, 8 and 9.

## Step Two:

Sew the strips into three strip sets. Strip Set A: - fabrics #1, 2 and 3. Strip Set B: Fabrics #4, 5 and 6. Strip Set C: fabrics #7, 8 and 9. 1/4 inch seams, please. There will now be three each of the three strip sets.

## Step Three:

Press all seams to one side of all strip sets.

## Step Four:

Cut all strip sets into units shown on the diagram page. Then lay out units following quilt diagram - sewing together one complete row across at a time. Then stitch all rows together.

## Step Five:

Layer quilt with batting of your choice and one complete piece of backing as listed. Quilt as desired.

## Step Six:

Cut binding strips as listed - sew end to end - and sew to quilt - allows enough fabric for French Fold Binding.
