## Block Piecing:

1. Using the 5-1/2" squares, piece the Four-Patch Blocks using the fabrics indicated in the Quilt Layout on Page 3.

2. Using the 11-1/4" quarter-square triangles, piece the Four-X Blocks using the fabrics indicated in the Quilt Layout on Page 3.

## Quilt Assembly

1. Lay out the pieced blocks and 10-1/2" squares in seven horizontal rows as shown in Quilt Layout on Page 3. Between the blocks of each row, add 4" x 10-1/2" Fabric A sashing strips. Sew the blocks and sashing strips together within each row.

2. Make six long sashing strips, each with two 4" x 44" Fabric A strips sewn together end-to-end. Trim each long sashing strip to the same width as the block rows, about 78" long. Stitch a long sashing strip to bottom of all the rows of blocks, except the bottom row. Stitch the rows together completing the quilt center.

3. Cut two 4" x 44" Fabric A strips each into two equal lengths creating four strips about 22" long. Make four borders, each with two 4" x 44" and one 4" x 22" Fabric A strips sewn together end-to-end. Stitch a border to right and left sides of quilt. Press and trim excess. Add top and bottom borders in the same manner.

## Finishing:

1. Cut backing into three equal lengths. Sew the three lengths together along selvage edges, creating a quilt backing three fabric widths wide.

2. Layer the backing, batting and quilt top. Quilt or tie as desired.

3. Prepare binding from ten 2-1/2" x 44" Fabric W strips. Sew strips together into one long binding strip. Press strip in half lengthwise.

4. Carefully trim backing and batting even with quilt top.

5. Leaving an 8" tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to 1/4" and press open. Finish sewing binding to quilt.

6. Turn binding to back of quilt and blind stitch in place.
